Be Responsible! CHECKLIST

- Do you know it's **illegal to host a party that provides alcohol** to anyone under 21 regardless of the circumstances? You could face a \$2,000 FINE and a year in jail.
- Twenty percent of our students said they've ridden in cars where the **driver had been drinking**. It takes at least an hour to absorb one 12 ounce beer, one 6 ounce glass of wine or one ounce of hard liquor. Always make sure you're safe to drive.
- Do you make sure that you wear your seat belt, keep your cell phone in your pocket and keep your eyes on the road? **Our kids do what we do!** Let's keep them safe!
- Many people use designated drivers for a night on the town. However, most adults aren't aware of the **physical impact of excessive drinking**. Please talk to your health care provider to ensure you are within safe limits for you!

Funding provided by the Bureau of Drug and Alcohol Services and New Hampshire Charitable Foundation.

Guide
