

JUNIOR ACTION CLUB

CADY's JAC Program

The Junior Action Club is an opportunity for elementary and middle school students to learn about the positives of living a drug-free life style.

In this program, youth brainstorm ways to bring prevention messages to their peers, their school, and greater community!

The JAC program gives students the skills and opportunities to help others choose health!

Community for Alcohol- and Drug-free Youth (CADY) facilitates the meetings and brings information to the students that will help guide their projects!

JOIN TODAY!
