SOLVING PROBLEMS THROUGH POLICY CHANGE

"POWER OF THE STORY"

Tuesday April 8, 2025

Two Trainings offered:

Day Training: 10:00-11:00AM

Night Training: 6:30-7:30PM

Presented by:
Sarah Cain, New Futures
Community Outreach Coordinator

Stories are powerful tools for change. Whether it's your own story, the story of someone you know, or stories you see in your professional role, stories are essential in influencing policy change. This training gives participants time to practice writing their own advocacy message using a story before reviewing different ways they can take action and advocate with that message.
